### Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

## WOMEN SUFFER NEEDLESS MISERY.

There are hundreds of thousands of women in America suffering from Female Diseases, endangering their lives by doing nothing. If they write to me I will give them the benefit of my extensive experience.—S. B. Hartman, M. D.

The medicines prescribed can be obtained at all drug stores.

The Doctor will prescribe all medicines, applications, hygienic and dietary regulations necessary to complete a cure. Furthermore, all correspondence will be held strictly confidential.

#### Pe-ru-na Brought Health and Happiness.

Miss Nellie South, late of Manchester, Eng., writes from 86 Prince Arthur St., Montreal, Can., as follows:

"Peruna has made a wonderful change in my life. It has brought me health and happiness."

"Since my seventeenth year I have had female complaint and irregularities. My general health suffered, I had pains in my back and lower limbs, my eyes were dim, and I became morose and unreasonable."

"Mother sought the advice of our family physician, who prescribed for me, but I grew no better."

"I then read of Peruna and procured a bottle. That one bottle was worth more than all the doctor's medicine I had taken previously."

"I cannot express my gratitude. Peruna has been a great blessing to me."—Nellie South.

Miss Edna Moore, 46 Elm street, Buffalo, N. Y., Secretary East End Literary Association, writes:

"I was a great sufferer from systemic catarrh, was extremely nervous, could not sleep, fainted easily, was very irritable, had a confusion of the senses, and got up in the morning feeling more tired than when I went to bed."

"I was very wretched, but upon taking Peruna I began to improve, and after using the medicine four months, I felt like a new woman and was completely cured."—Edna Moore.

The principal remedy which Dr. Hartman relies upon in curing catarrhal diseases of women is Peruna. Hundreds of women sufferers find Peruna a household necessity.

MISS Angelina Grotten, 305 St. Urbain street, Montreal, Can., writes:

"Having heard Peruna praised so highly induced me to try it for my cold, and pains in the groins with which I had been suffering for months. It took nearly three bottles to cure me, but I consider that was but a short time, as I have often taken doctors' prescriptions for months before I got relief."—Angelina Grotten.

As is well known, Dr. Hartman is the President of the Hartman Sanitarium, an institution which has a department devoted to the treatment of female diseases.

He is thus brought to see thousands of such cases every year, the most of whom return to their homes to be treated, by correspondence.

Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.
